

Premier of Ontario - Première ministre de l'Ontario

April 16, 2016

A PERSONAL MESSAGE FROM THE PREMIER

On behalf of the Government of Ontario, I wish to extend warm greetings to the Turkish Canadian community and to everyone taking part in today's celebration of International Children's Day.

Young people are tomorrow's leaders, thinkers, innovators and citizens. Occasions such as this help us look beyond our present concerns — and remind us who will inherit the future.

I thank the Turkish Society of Canada and the City of Toronto for making this multicultural event possible. In our increasingly connected global community, it is important to learn from and respect the diversity of cultures. In doing so, our children can see the beauty and strength of a diverse society, and build a better world for the generations to come.

Have a wonderful day!
